

Suggested Instructor Props

Community Fire Safety Operational Guide

Suggested Instructor Props

To ensure your lesson has the greatest impact on the target audience, we suggest using props to supplement your classes. This will allow you to demonstrate many of the points listed in the Instructor Guidelines. Below, we have included a master list of all suggested teaching props to allow you to gather all the items you will need for your classes. The props for each lesson are listed in the individual Instructor Guidelines.

Master List of Suggested Instructor Props
